HoseMiser

AUTO SHUT-OFF NO WASTE

NEVER LEAVE THE HOSE RUNNING AGAIN.

Set the timer **right where the action is** so you never forget.

SET IT WHERE YOU WATER
Program it at the sprinkler — not at the spigot.

SHUTS ITSELF OFF
Water stops on time. No floods, overflows, or waste.

TURNS ITSELF ON
Built-in 10-second delay so you never get drenched!

TWO BUTTONS. THAT'S IT.
Tap + or –, watch the countdown. No apps needed.

THREADS RIGHT ON
Standard hose threads. Fits any sprinkler or nozzle.
